## शिक्षा और संस्कार

Mr. S K Jha  
PGT (Mathematics)

शिक्षा और संस्कार का हमारे जीवन में अन्योन्याश्रय सम्बन्ध हैं। दोनों एक दूसरे के बिना अधूरे हैं। शिक्षा हमें कभी झुकने नहीं देती और संस्कार हमें कभी गिरने नहीं देते।

राष्ट्रपति द्रोपदी मुर्मू ने एक बार कहा था कि विकास के साथ जेलों में कमी आनी चाहिए। लेकिन धरातल पर ऐसा नहीं है। देखा तो यह जा रहा है कि जिस तरह लोगों के पास सहूलियत और पढाई - लिखाई का इंतजाम बेहतर हुआ है उनके अनुपात में अपराधों में कमी नहीं आयी है। जेलों में जितने भी अपराधी हैं वे सभी उच्च शिक्षित हैं।

सदियों पहले किसी दार्शनिक ने कहा था कि एक स्कूल खोलने का अर्थ है एक जेल का बंद होना। हालांकि मौजूदा परिस्थिति में ऐसा होता नहीं दिख रहा है। सवाल है - आधुनिक शिक्षा और इतनी जागरूकता के बावजूद अपराधों में कमी क्यों नहीं आ रही? क्या हमारे शैक्षणिक तंत्र में कमी है या अपराध एक जन्मजात प्रवृत्ति है, जो परिस्थितियों कारण जाग्रत हो जाती है? आखिर हम शिक्षा के क्षेत्र में इतनी मेहनत, इतने संसाधन लगाने के बावजूद हम एक ऐसा समाज क्यों नहीं बना पा रहे हैं जहाँ अपराध की स्थिति न्यूनतम हो। गहराई से सोचने पर पता चलता है कि हममें संस्कार की कमी है।

आज जरूरत इस बात की है कि शिक्षा में संस्कारों को शामिल किया जाय। बच्चों को स्कूल में पढाई के साथ साथ उन अच्छी आदतों को सिखाने पर भी जोर दिया जाय जिससे अच्छे नागरिकों का निर्माण हो। यँ तो इसकी शुरुआत परिवार से होनी चाहिए लेकिन स्कूलों का यह विशेष दायित्व है।

स्कूल बच्चों को इस साँचे में ढाले कि वह नैतिकता, ईमानदारी, देशप्रेम, सद्भाव, करुणा, समन्वय और परस्पर सहयोग जैसे सद्गुणों को स्वयं धारण करता जाए। संस्कार युक्त शिक्षा से ही श्रेष्ठ समाज का निर्माण हो सकता है।

अंत में मैं यही कहूँगा कि :

**शिक्षा यदि विकास है तो संस्कार में उसे धारण करने की शक्ति है।**

## Smiles, stories, and new beginnings –

### Our students are back to school!

01-07-2025

After a refreshing summer break, our school campus came alive once again with the cheerful voices and bright smiles of our students. The first day back was filled with enthusiasm as teachers and staff extended a warm welcome to each child, ensuring they felt at home.

Class teachers greeted their students with warmth and positivity, setting the tone for a productive and joyful academic session ahead. They introduced the curriculum for the year, outlining the key subjects, activities, and learning goals, giving students a clear roadmap of what to expect.

The atmosphere was one of excitement and curiosity, as friends reunited, shared stories of their summer adventures, and looked forward to new experiences. With renewed energy and a shared commitment to learning, our school community is ready to make this academic year a memorable and successful one.

## Teachers & PTA Training Session –

### “What to Do with Your Health (WTD)”

05-07-2025

**Ms. Megha Juneja**

In alignment with the CBSE's focus on holistic wellness, our school recently organized a Capacity Building Programme (CBP) titled “What to Do with Your Health (WTD)”, conducted by wellness expert Ms. Megha Juneja.

This enriching session was specially designed for both teachers and PTA members, emphasizing the importance of maintaining a healthy lifestyle amidst busy personal and professional commitments.

Ms. Juneja shared insightful guidance on stress management, balanced nutrition, physical activity, and mental well-being.

→ Continued on next page

The interactive session included breathing techniques, mindfulness practices, and open discussions that empowered participants with simple and practical tools for everyday life. Both teachers and parents expressed gratitude for the thoughtful initiative and took away actionable habits to improve their well-being.

Such collaborative training sessions strengthen the school-home partnership and reflect our commitment to the overall health and happiness of the school community.

## Celebrating Guru Purnima Mahotsav

10-07-2025

Our school celebrated Guru Purnima Mahotsav with great reverence and enthusiasm through a special morning assembly. The occasion began with a soulful rendition of Guru Vandana by the students, filling the atmosphere with devotion and gratitude towards teachers and mentors.

This was followed by a touching stage act depicting the timeless bond between teacher and student, reminding everyone of the values of respect, guidance, and lifelong learning. The cultural segment continued with an energetic and graceful dance performance, adding vibrance to the celebration.

As a token of respect, students presented a beautiful handmade card to our respected Principal Ma'am, expressing their heartfelt gratitude. Principal Ma'am, in her special address, shared inspiring words about the importance of teachers in shaping lives and encouraged students to follow the path of discipline, dedication, and respect.

"A teacher is not just a source of knowledge, but a guiding light who shapes the future. Let us honour and cherish this bond of learning with gratitude and respect."

— Principal Ma'am

## 🌟 Inter-House Talent Hunt – A Stage for Our Youngest Stars (Classes 1 & 2)

12-07-2025

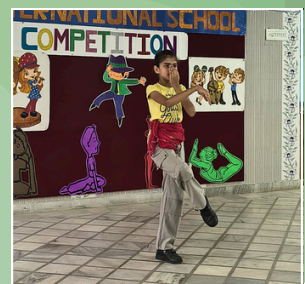

Our school recently hosted an exciting Inter-House Talent Hunt Competition for Classes 1 and 2, where our youngest students took the stage with remarkable confidence and creativity.

Participants from all houses showcased their unique talents through dance performances, soulful music, and graceful yoga demonstrations. Each performance was a beautiful blend of innocence, enthusiasm, and dedication.

The event not only highlighted individual talent but also encouraged team spirit and healthy competition among the houses. The energy and excitement in the audience were just as high as on stage, as students cheered for their housemates with pride.

This joyful competition provided an early opportunity for students to explore their interests, gain stage confidence, and learn the value of participation. It was heartening to see such vibrant performances and budding talent, reminding us once again of the importance of encouraging children to express themselves freely.

🎨 “Tiny talents, big dreams – our little stars shine bright on stage!” 🌈

## **Inter-House Poster Making Competition – “Every Drop Counts”**

12-07-2025

An Inter-House Poster Making Competition was conducted on Saturday, 12th July for the students of Classes XI and XII on the theme “Every Drop Counts.” The event was met with great enthusiasm, as students from all houses actively participated and showcased their creativity, awareness, and artistic skills.

Through vibrant colours, thought-provoking messages, and innovative designs, students conveyed the importance of water conservation. Each poster reflected not only artistic expression but also a deep understanding of the theme, making the message visually impactful.

The entries were judged based on creativity, relevance to the theme, presentation, and overall impact. The competition fostered a sense of teamwork, environmental awareness, and healthy inter-house spirit.

Overall, it was a successful and inspiring event that highlighted the students’ talent and their ability to communicate powerful ideas through art.

 **"Creating Awareness Through Art – One Drop, Many Lives!"**   
– Fostering Environmental Responsibility Among Young Minds

This activity aligns with CBSE’s emphasis on experiential learning and integration of art with environmental education.

It encourages students to engage in creative expression while building awareness of sustainable development goals (SDGs).

## 🔥 Class IX & X Sections Face Off – Inter-House Volleyball at Its Best!

12 / 16 -07-2025

The Inter-House Volleyball Matches conducted for Classes IX and X were a thrilling celebration of teamwork, athletic skill, and sportsmanship. Students from all houses participated with great enthusiasm, displaying impressive coordination, agility, and competitive spirit.

The matches not only promoted physical fitness, but also reinforced essential values such as teamwork, leadership, discipline, and perseverance—reflecting the importance of sports in holistic education.

For Class IX, the competition unfolded with Coral House defeating Ruby House in the first match, and Sapphire House securing a win against Topaz House in the second. The final showdown between Coral and Sapphire Houses concluded with Sapphire House emerging victorious.

In the Class X tournament, Coral House once again defeated Ruby House, while Sapphire House won against Topaz. The exciting final match between Coral and Sapphire Houses ended with Coral House claiming the championship title.

The matches were filled with energy, cheers, and healthy competition—leaving everyone motivated and proud of the spirited performance displayed by all participants.

## Green Explorers: Learning from Nature

**Classes: Pre-Primary to V**

14 / 16 -07-2025

To nurture love and awareness for the environment, our school organized a series of nature-based learning activities titled "Green Explorers" for students from Pre-Primary to Class V.

The tiny tots of the Pre-Primary section set out on a delightful Green Walk Adventure across the school campus. As they walked among trees and plants, teachers introduced them to the names, benefits, and importance of greenery in our lives. Children learned how trees give us oxygen, cool the surroundings, and make the world beautiful. The walk was filled with excitement, curiosity, and valuable lessons that helped develop an early connection with nature. 🌿

In continuation, students from Classes I to V took part in a creative and reflective activity called the Tree Journal Project. As part of this, children observed different trees in the school campus or near their homes. They documented their findings by drawing the trees and writing a few lines about what they saw—such as leaf shape, fruit, bark texture, or birds living in them. This activity encouraged keen observation, scientific thinking, and artistic expression.

Together, these activities promoted environmental awareness and helped our young learners develop a sense of appreciation and responsibility toward nature. 🌱🌍

**“When children learn from nature, they grow with nature.”**

## **Voices Through Words: Expressing Emotions and Awareness**

16 / 17 -07-2025

### **Classes: IX to XII**

To enhance expression, creativity, and emotional awareness among students, our school organized two insightful literary activities across senior classes.

Students of Classes IX and X participated in a Hindi Story Writing Activity, where they penned imaginative and thought-provoking stories in Hindi. The activity encouraged them to explore themes of values, emotions, and everyday life while honing their narrative and linguistic skills. This platform not only improved their writing abilities but also boosted their confidence in storytelling.

Simultaneously, students of Classes XI and XII engaged in an English Writing Activity on the theme "Mental Health Awareness." Through essays, articles, and reflective pieces, they expressed their understanding of mental health, its importance in today's world, and how young minds can support emotional well-being. The initiative aimed at creating sensitivity, breaking stigmas, and promoting self-care among students.

Both activities offered a meaningful blend of creative thinking and emotional intelligence, empowering students to use language as a tool for awareness, empathy, and change.

**"Promoting creative expression and emotional wellness – nurturing mindful learners for a compassionate tomorrow."**

## Leaf Art: Crafting Nature's Imprint

**Classes: Primary Section**

16-07-2025

In a creative blend of art and nature, our young learners participated enthusiastically in the Leaf Art Activity. Students collected various types of leaves and used them to create beautiful drawings by stamping, tracing, and forming textured patterns.

This hands-on activity allowed children to explore different shapes, sizes, and textures of leaves, while expressing their imagination through nature-inspired artwork. From animals to landscapes, their creations reflected both creativity and environmental appreciation. Such activities not only enhance fine motor skills and aesthetic sense but also instill a sense of connection with the natural world.

## Nukkad Natak: Raising Voices for Environmental Awareness

21-07-2025

**Classes: IX–X**

As part of our commitment to environmental education and social responsibility, students of Classes IX and X presented a powerful Nukkad Natak (Street Play) on the theme "Environmental Awareness." Performed in the school courtyard, the play captivated the audience with its engaging dialogues, expressive performances, and impactful message about protecting our environment. Through humor, emotion, and storytelling, the students highlighted critical issues such as pollution, deforestation, water wastage, and the urgent need for sustainable living.

This activity not only enhanced students' communication and dramatization skills but also instilled a strong sense of environmental stewardship among the viewers. The event was a memorable step towards inspiring action and spreading awareness in an artistic and thoughtful way.

## **Lemonade Fun: A Zesty Learning Experience!** **Pre-Primary Section**

31-07-2025

Our little chefs from the pre-primary section had a refreshing and joyful time during the “Lemonade Fun” activity! With smiles on their faces and lemons in hand, the young learners enthusiastically took part in preparing their own glasses of delicious lemonade.

Under the guidance of their teachers, they learned the simple steps of making lemonade – squeezing lemons, adding sugar, water, and a pinch of salt. The activity was not only fun but also helped develop their motor skills, understanding of measurements, and the joy of following instructions.

It was truly a delightful experience that blended learning with refreshment and teamwork – a perfect way to beat the heat and build new skills!

## **Mosquito Control Drive: Ensuring a Safer & Healthier Campus**

31-07-2025

In a proactive step toward maintaining a clean and hygienic environment, our school undertook a mosquito-killing spray process across the entire campus. This initiative was carried out with care and precision, covering all classrooms, corridors, activity areas, offices, and outdoor spaces.

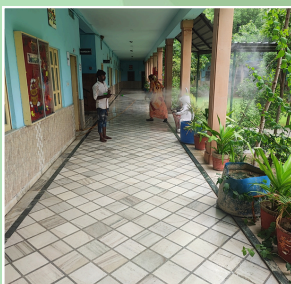

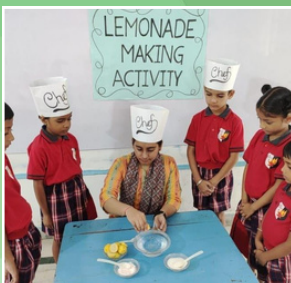

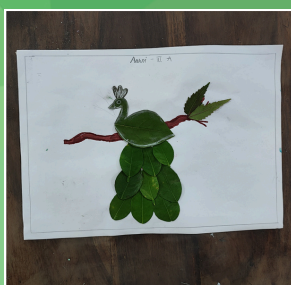

The drive aimed to prevent mosquito-borne diseases and ensure the well-being of students, staff, and visitors. It reflects our ongoing commitment to health and safety as a top priority. Regular pest control activities like this help keep the surroundings not only pleasant but also disease-free.

With such preventive measures in place, we continue to build a safe, healthy, and learning-friendly environment for everyone.
