Students of Classes 1 and 2 enjoyed an exciting Games and Fun Activity – Dance Party, which filled the day with music, laughter, and joyful movement. 🎵 🌈 Children eagerly participated in age-appropriate games and danced to lively songs with great enthusiasm. 🏃♀️ 🏃♂️

The activity helped students develop confidence, rhythm, coordination, and social skills, while giving them a refreshing break from routine classroom learning. 🌟 😊 Teachers encouraged every child to participate freely, creating a cheerful and inclusive environment.

The Dance Party became a memorable experience for our young learners, reminding them that school is a place for both learning and happiness. 🎉 ❤️

Class X Attends CBSE Webinar on the Two-Exam Policy

20-11-2025

Students of Class X attended an informative webinar organised by CBSE on the newly introduced Two-Exam Policy.  The session provided clear insights into the structure, objectives, and benefits of the policy, ensuring that students understand how it supports continuous learning and reduces academic stress. 

The resource persons from CBSE explained the assessment pattern, preparation strategies, and expected competencies, helping students align their study plans effectively.  The webinar also addressed students' queries regarding exam schedules, evaluation methods, and skill-based readiness. 

This informative session empowered learners with clarity and confidence, motivating them to approach their academic journey with a positive mindset and better preparation. 

Successful Conduct of SAFAL: CBSE Online Assessment for Classes V & VII

Our school successfully conducted the SAFAL (Structured Assessment for Analysing Learning) online assessment for Classes V and VII, ensuring a smooth and well-coordinated examination process.  Students actively participated in this competency-based evaluation, which focused on understanding, application, and analytical thinking.  Teachers guided the learners throughout the digital interface, helping them attempt the test with confidence. The assessment provided meaningful insights into students' learning levels and conceptual clarity.  SAFAL also enabled teachers to identify areas of improvement and plan further academic strategies effectively. The successful conduct of this assessment reflects the school's commitment to adopting modern, outcome-based evaluation practices.

20-11-2025

A lively Kho-Kho Competition was organised for the students of Classes III and IV, filling the playground with excitement and enthusiasm. 🏆🔥 Students participated with great energy, showcasing quick reflexes, teamwork, and strategic thinking throughout the game. 🤝👏

The event aimed to strengthen physical fitness, encourage coordination, and develop sportsmanship among young learners. 🌈🌟 Loud cheers from classmates motivated the participants, creating a vibrant and joyful sporting atmosphere. 🎉

Such activities help children stay active, build confidence, and understand the importance of healthy competition. 🏆🌟

Cancer and HIV Awareness Programme by Caring Souls Foundation

22-11-2025

Our school organised an impactful Cancer and HIV Awareness Programme in collaboration with the Caring Souls Foundation, aimed at educating students about health, prevention, and social responsibility. 🌟📖 Experts from the foundation conducted an interactive session, sharing essential information on early detection, symptoms, myths, and the importance of maintaining a healthy lifestyle. 🩺💬

The programme also highlighted the significance of empathy, support, and removing stigma associated with these illnesses. 🌸 Students listened attentively, participated in discussions, and gained valuable insights into making informed and responsible health choices. 🌈

Such initiatives play a vital role in promoting awareness, sensitivity, and holistic well-being among learners, helping them grow into informed and compassionate citizens. 🙌🌟

🏆🌈 Pre-Primary Sports Day Celebration: Little Champions in Action 🌈🏆

23-11-2025

The Pre-Primary Wing celebrated Sports Day with great excitement and enthusiasm, turning the school ground into a vibrant arena of fun and energy.

🎉🏃♂️ Our tiny learners participated in a variety of age-appropriate races and activities, showcasing confidence, coordination, and joyful sportsmanship.

Events such as the Lemon Race, Hoop Race, Balloon Race, and Fun Relays filled the day with laughter and cheers. 🌟 Teachers motivated every child to participate wholeheartedly, helping them understand the importance of physical fitness and teamwork. 🌤️🤝

The celebration not only promoted a healthy lifestyle but also encouraged children to build self-confidence, discipline, and a love for sports from a young age. 🌸🌈 It was truly a delightful and memorable day for our little champions. 🏆🌟

🍎🍌🌟 Fruit Recognition Activity: Learning Through Fun and Colour 🌟🍇🍍

26-11-2025

The Pre-Primary Wing conducted a joyful Fruit Recognition Activity to help young learners identify and understand different fruits through a hands-on learning experience. 🍉🌟 Children enthusiastically named, touched, and observed a variety of colourful fruits, making the session lively and interactive. 🍎🍌

The activity supported vocabulary building, sensory development, and awareness about healthy eating habits. 🌈🍇 Teachers also encouraged students to talk about their favourite fruits, promoting confidence and communication skills. 🗣️🤝

Such engaging activities foster curiosity and help children connect classroom learning with the real world, making education enjoyable and meaningful. 🌟

Robotics Workshop: Inspiring Young Innovators

27-11-2025

The Primary Wing of our school participated in an exciting Robotics Workshop designed to introduce young learners to the world of technology and innovation. 🌟💡 Students explored basic robotic concepts through engaging demonstrations and hands-on activities. They learned about sensors, movement, simple coding, and how robots perform tasks in real life.

The workshop encouraged problem-solving, creativity, and logical thinking, allowing children to build and test simple robotic models with enthusiasm. 🤖

✨ Trained instructors guided them at every step, making the learning experience interactive and enjoyable.

Such initiatives help students develop early STEM skills and inspire them to become confident, future-ready innovators. 🚀🌈

Indoor Activities & Treasure Hunt: A Day of Fun Learning

28-11-2025

The school conducted engaging Indoor Activities for Classes 7 and 8, offering students a refreshing break through games that strengthened their logic, concentration, and teamwork. 🎯🧠 Activities such as board games, puzzles, strategy games, and group challenges encouraged active participation and collaborative learning. 🤝✨

For Classes 3 and 4, an exciting Treasure Hunt was organised, where students enthusiastically followed clues, solved riddles, and worked together to find the hidden treasure. 🔍💡 The activity promoted team spirit, communication skills, and quick thinking, making the day truly enjoyable for everyone. 🌈🎉

Both activities created a joyful learning environment and helped students develop important life skills in an interactive and fun-filled way. 🏆🌟
