VISION

We ensure that our enthusiastic and innovative students will achieve their goals and become world leaders who are academically excellent, ethically upright, emotionally balanced and socially responsible citizens through Learner Centered Education.

MISSION

We nurture our Global students into men and women who will be leaders of distinction. GIIS students are committed to the spirit of excellence, through high quality education imparted by globally experienced and caring teachers. They build strong virtues and values while focusing on all round development, creativity and entrepreneurship.

Chairman's Message...

विद्यालय मनुष्य जीवन की आधारशिला है। जिस पर उसका जीवन रूपी प्रसाद निर्मित होता है। इस प्रसाद को न केवल निर्मित करने वाले अपितु उसे परिष्कृत एवं परिमार्जित करने वाले शिक्षकों के वरद हस्त अद्भुत शक्ति के स्रोत हैं। हमारी नई पीढ़ी के मार्गदर्शक, विलक्षण प्रतिभा सम्पन्न शिक्षक को शत-शत नमन।

जीवन सुख-दुःख के ताने बाने में बुना एक ऐसा पट है जो अनेक अनुभूतियाँ जिसमें स्वयं को आवृत किए रहती है। विभिन्न अनुभूतियों के सपनों से गुजरता हुआ मानव उन्नति के चरम शिखर पर पहुँचता है। उन्नति के ऐसे ही शिखर पर निरन्तर आगे बढ़ने के उद्देश्य को पूरा करने में ग्लोबल इण्डियन इंटरनेशनल स्कूल अग्रसर है।

हमारा लक्ष्य विभिन्न पारिवारिक पृष्ठभूमि, क्षेत्रों से आए बच्चों को शिक्षा प्रदान करने के साथ-साथ उन्हें एक अच्छे नागरिक के लिए आवश्यक निपुणता भी उपलब्ध कराना रहा है। हम उन्हें एक ऐसे स्वस्थ प्रतिस्पर्धापूर्ण वातावरण में राष्ट्रीय व अंतर्राष्ट्रीय स्तर की शिक्षा प्रदान करने के लिए वचनबद्ध हैं जिसमें हमारे छात्र विश्व की चुनौतियों का सामना करने के लिए तैयार हो सकें।

हमारा विश्वास है कि प्रत्येक बच्चा विधाता प्रदत्त किसी न किसी प्रतिभा से सम्पन्न होता है। यदि उसे एक उपयुक्त वातावरण दिया जाए तो जीवन में उसकी निष्पादन क्षमता के स्तर एवं उसकी व्यक्तिगत खुशियों को संवर्धित किया जा सकता है।

शैक्षिक उत्कृष्टता इस संस्था का मुख्य उद्देश्य है। अतः हर एक बच्चे को समाज की एक महत्वपूर्ण इकाई मानते हुए यहाँ का शिक्षक वर्ग अपनी निष्ठा व परिणाम से कार्यरत है। हमारे उत्कृष्ट परीक्षा परिणाम उसी का सुफल है।

Mr. Jagmal Singh Choudhary

Chairman, GIIS Jodhpur

Director's Message...

In the world where change is a buzzword and innovation is the basic necessity, GIIS teaches its students to ingrain innovativeness as a way of thinking that governs every aspects of society thereby fostering global education through its leaders and decision makers. Crafted under the guidance of leading mentors, the school program encompasses a systematic approach in imparting education, combined with creation, dissemination and value based application of knowledge to enhance sustainability.

To meet these challenges, mentors at GIIS have been striving to reach the pinnacle of success through hard work, integrity and leadership. The intelligence, high energy and exuberance of our students is backed by their strong commitment to international projects and assignments that are incorporated regularly into the curriculum and develop analytical skills which assure that they are ready for tomorrow.

I would like to thank the parents and patrons for selecting GIIS and looking forward to technology driven education and strengthening our relationship. I am privileged to invite you on campus to feel the difference we make in 21st century school education. I am confident that you will leave the campus equally humbled and enlightened that your child is in safe hands.

Mr. Shaitan Singh Choudhary

Director, GIIS Jodhpur

Principal's Message...

*The illiterate of the 21st century will not be those who cannot read and write,
but those who cannot learn, unlearn and relearn.*

- Alvin Toffler

GIIS Jodhpur was established in 2009 with a commitment to serve as a centre of learning in its widest sense providing education from K-12 (Kindergarten to Class 12). As such, the curriculum of GIIS, lays the foundation for the entire range of a child's development: emotional, intellectual, physical and spiritual. We at the Global Indian International School endeavour to 'Nurture Global Citizens' who are indeed independent, articulate and demonstrate integrity in their lives. These young men and women will contribute to establishing a new world of order.

Exposure to International Assessments i.e. (IAIS, ASSET, SHELL, Olympiads etc.) is the key to GIIS's success in academics and co-curricular activities. In line with our school's vision of producing pupils of 'Lifelong Learners, Rooted in Values', we at GIIS have placed character development as one of our topmost priority in our school planning. In order to develop Value based Education teachers make use of the story books or power-point slides on the Smart Board and

ensure that Teacher Talk Time is minimal and Student Talk Time maximum in the classroom. Formative Projects, Presentations and Group activities in the session have helped pupils to build on their capacity to innovate, apply creative and critical thinking skills and improve their communication skills.

We believe that character building is a life-long process and fostering of values should start from young. Parents need to continue supporting us by playing a primary and critical role in this process of character development as the first few years of a child's life are often spent largely with his/her family. We hope through a continuous close relationship between parents/guardians and the school, we can develop our pupils to be all-rounded individuals who will be able to contribute to the society in the future.

Thanks and regards,

Miss Sarita Choudhary
Principal, GIIS Jodhpur

ACADEMIC STAFF

The teaching fraternity at GIIS, Jodhpur is a highly qualified team of individuals from all parts of India. The teachers play a dynamic role in functioning of the schools and contribute significantly to the gamut of activities before, during and after-schools as well.

The well trained faculty will function as 'facilitators' in the educative process and maintain an open communication system with the children. The institution places a lot of emphasis on professional development and upgradation of skills. Staff orientation programmes, both in house and external training programmes are conducted regularly. Periodic reviews and meetings are held to assess individual as well as organizational goals. This ensures that the system is a constantly evolving one that accommodates fresh perspectives and adapts to change.

Our teachers are well-equipped to integrate technology in the classroom and also use it effectively to plan their lessons, create online quizzes and prepare their assessment reports. Access to the internet and the availability of a large bank of teaching resources ensures that teachers are updated with the latest trends in the teaching-learning process and are able to implement them in the process as well.

CO-CURRICULAR ACTIVITIES STAFF

The Co-Curricular activities staff complements the academic staff as equal partners in the delivery of the curriculum with music, art, craft and reading being woven into the regular schedule. Additional time is also allotted for co-curricular activities after regular hours and on the weekend to give our children a rich exposure that enhances their personality development.

ACADEMIC FACILITIES

DIGITAL AND MULTI-MEDIA CLASSROOM TEACHING TECHNOLOGIES

All class rooms are connected to the knowledge resource and suitably aided with latest teaching tools to facilitate smooth transfer of knowledge. The classrooms provide the most conducive atmosphere for dynamic and focused discussion. We also have well equipped tutorial rooms which are designed for closer interaction between students and teachers.

TRAINING, WORKSHOPS & PROGRAMMES

The school trains staff and students for the core academic departments as well as for the supporting departments, along with regular workshops. The school has equipped labs for Science, IT, Languages and Mathematics as per the CBSE curriculum.

LIBRARY

The school library contains more than 9,500 titles in English and Indian Languages catering to the requirement of students in Academics, Science, Indian Art, Culture, Philosophy and Religion.

BRIDGE ENRICHMENT CLASSES

The school has provision for Bridge enrichment classes. The slow learners are given extra support for improvement.

WELCOME TO GIIS JODHPUR, INDIA

GIIS Jodhpur is a truly 'international' school in Jodhpur managed by Gyandeep Shodh Shikshan Prashikshan Sansthan, a non-profit organization which caters to the development of education in rural areas. GIIS Jodhpur started its first academic session from 1st July 2009. The school is affiliated to the Central Board of Secondary Education, New Delhi. Within a span of three years the school has made its mark at the National and International front with distinction in various academic and co-curricular activities. The school has also been awarded the Reciprocal Visit Grant (RVG) by the British Council for participation in International Projects in 2012 and has established Global School Partnerships with Dunnington Primary School, York and Darrick Wood School, Orpington, in the UK.

Having a campus area of more than 4 acres, the school focuses on imparting quality education to students along with an Indian value based education system. A school with a difference, it has highly trained "hand picked staff" who are "teachers not by instinct but inclination", who ensure genuine teaching and learning process and create citizens who are able, responsible and truly global. The GIIS form of holistic education combined with the best academic practices would help students from India and overseas to achieve admission into some of the world's leading schools and universities.
