

Q2: JULY • AUGUST • SEPTEMBER 2026-27

Stepping into a New Horizon: Welcoming Learners as School Reopens

01-07-2026

The school campus brimmed with fresh enthusiasm and purposeful energy as the gates reopened for the new academic quarter. Corridors and classrooms once again echoed with buoyant laughter, marking the start of another rewarding journey of discovery and learning.

A Warm Reception for New Entrants

Special induction assemblies were organised to extend a traditional, heartfelt welcome to our newly admitted students. Mentors and peer buddies guided the newcomers through the school environment, ensuring a smooth, comforting transition and nurturing an immediate sense of belonging.

Principal's Address & Vision

The highlight of the reopening was an inspiring interactive session convened by our respected Principal. Addressing the gathering, the Principal outlined the school's commitment to academic rigor, character building, and holistic growth, encouraging every learner to embrace challenges with curiosity, discipline, and empathy.

Academic Roadmap & Faculty Introduction

During the session, students were oriented towards the updated pedagogical roadmap:

Continued on next page ...

- **Competency-Based Learning:** Fostering inquiry, critical thinking, and experiential hands-on activities over rote study.
- **Continuous Assessment:** A well-rounded evaluation structure combining portfolio reviews, project work, and regular skill assessments.
- **Introducing New Educators:** The school formally introduced the newly joined faculty members across diverse disciplines, each dedicated to mentoring students towards their highest potential.

With renewed vigor and high aspirations, our students and staff stand ready to make this quarter a benchmark of excellence and values.

Honouring a Legacy of Excellence: Celebrating 49 Glorious Years of Central Academy

07-07-2026

Global Indian International School reverberated with institutional pride and celebratory fervour as our fraternity commemorated the milestone of 49 glorious years of academic distinction under the aegis of Central Academy. Addressing the assembled students and faculty during a special commemorative assembly, our respected Principal highlighted the remarkable near-half-century journey of the organisation, illuminating its steadfast dedication to value-driven education, character building, and pedagogical excellence. The address instilled a deep sense of belonging and collective responsibility, inspiring learners to uphold the institutional ethos and carry forward this illustrious heritage with integrity and zeal.

Marking this momentous occasion with unity and coordination, our enthusiastic students assembled on the expansive school grounds to create a magnificent human chain forming the giant numerals '49'. Standing shoulder to shoulder with radiant smiles and discipline, the learners beautifully demonstrated teamwork, institutional pride, and collaborative spirit. This synchronised formation served as a vivid tribute to nearly five decades of transformative education, strengthening the bond of our school community under the visionary stewardship of Central Academy.

Warm Greetings, Confident Beginnings: Pre-Primary 'Handshaking Station' Activity

07-07-2026

To foster socio-emotional development and positive classroom socialization, our pre-primary wing introduced an engaging 'Handshaking Station' morning activity. Set up at the classroom entrance, the station invited tiny tots to greet their teachers and peers through choice-based gestures, including a gentle handshake, a cordial Namaste, a friendly high-five, or a cheerful wave. This experiential morning routine helped alleviate separation anxiety, instilling self-confidence and an immediate sense of warmth and security right at the threshold of learning.

Beyond pleasant morning greetings, the activity served as a foundational exercise in developing essential life skills, empathy, and social etiquette. The children enthusiastically practiced respectful eye contact, gentle touch, and polite exchanges, learning to acknowledge their peers with kindness and consideration. By transforming daily transitions into moments of positive bonding and mutual respect, the initiative created an inclusive, nurturing environment where every young learner felt valued and eager to embark on the day's activities.

Nurturing Emotional Awareness and Creativity: 'Feeling Weather Chart' & 'Read Name Art' Activities

14-07-2026

Our pre-primary section buzzed with expressive excitement as young learners engaged in two innovative experiential exercises: the 'Feeling Weather Chart' and 'Read Name Art'. Under the interactive Weather Chart initiative, children correlated their daily emotions with vibrant weather symbols—identifying feeling cheerful as 'sunny', calm as 'a gentle breeze', or overwhelmed as 'stormy'. This child-friendly approach helped tiny tots identify, articulate, and regulate their emotional states with ease, promoting early self-reflection, empathy, and positive socio-emotional well-being in a safe classroom environment.

Complementing this emotional awareness, the 'Read Name Art' activity integrated foundational literacy with creative expression. Children enthusiastically identified and sounded out the letters of their names before embellishing each letter using finger painting, paper tearing, and vibrant collage techniques. The multi-sensory exercise refined fine motor control, hand-eye coordination, and print awareness, allowing our youngest learners to take immense pride in their personal identity while joyful learning unfolded across the classrooms.

Refreshing Minds and Little Hands: Pre-Primary 'Lemonade Making' Activity

17-07-2026

Our pre-primary wing transformed into a lively culinary hub as the tiny tots participated enthusiastically in a delightful hands-on 'Lemonade Making' activity. Designed to promote experiential learning and sensory exploration, the session introduced young learners to the basics of kitchen safety, hygiene, and the tactile joy of preparing a refreshing drink on their own. Guided tenderly by their teachers, the children observed and engaged in every step of the process—squeezing fresh lemon juice, measuring water, stirring in sugar, and sprinkling a pinch of salt to achieve the perfect blend. Beyond the sweet and tangy delight, the activity seamlessly integrated foundational science, numeracy, and fine motor development. The children learned fundamental concepts such as soluble and insoluble substances, taste differentiation (sweet, sour, and salty), and simple measurement vocabulary like half, full, and stir. Squeezing lemons and gripping spoons strengthened their pincer grasp and hand-eye coordination, while sharing the freshly made lemonade with peers and staff nurtured social etiquette, generosity, and teamwork in an joyful classroom atmosphere.

Unravelling the Science of Depth: 3D Projection & Visual Technology Workshop

17-07-2026

In an engaging experiential learning session tailored for Class 11 students, our senior learners explored the captivating science and mechanics behind stereoscopic imagery through an interactive '3D Effect Show'. The live demonstration demystified the principles of binocular disparity and depth perception, illustrating how dual-camera capture, chromatic filtering, and modern stereoscopic rendering bring two-dimensional frames into immersive life. Moving beyond passive observation, students gained practical insights into advanced projection methodologies, understanding the precise role of polarized light filters, dual-channel projection setups, and complementary optical lenses in delivering synchronised visual streams to each eye. The session brilliantly bridged theoretical physics and digital computer graphics, sparking scientific curiosity and encouraging learners to appreciate real-world applications in visual optics and digital media technology.

Navigating Future Horizons: Career Guidance Session for Classes IX–XII

17-07-2026

To help senior students make informed academic and professional choices, an insightful Career Guidance Session was organised for Classes IX to XII, led by an eminent guest speaker. The expert enlightened learners on emerging global career avenues, multidisciplinary stream choices, and strategic preparation for competitive examinations, emphasising the value of aligning personal aptitude with industry trends. An engaging Q&A round followed, leaving students with clear academic roadmaps, renewed focus, and purposeful aspirations for their future journeys.

Celebrating Analytical Excellence: LogIQids Olympiad Prize Distribution Ceremony

18-07-2026

In a vibrant special assembly, our school proudly felicitated the achievers of the prestigious LogIQids Mental Aptitude Olympiad, celebrating their commendable performance in logical reasoning, problem-solving, and 21st-century cognitive skills. Respected Principal Ma'am conferred medals, merit certificates, and trophies upon the top rankers, warmly applauding their perseverance, critical thinking, and intellectual curiosity. Addressing the gathering, she highlighted the importance of foundational aptitude and analytical acumen in today's evolving educational landscape, encouraging all learners to embrace healthy academic challenges with confidence and enthusiasm.

The event resonated with loud applause and pride as teachers and peers cheered for the young prodigies who brought laurels to the institution. The felicitation not only acknowledged individual scholastic brilliance but also inspired the entire student body to hone their logical faculties, think beyond textbook boundaries, and pursue cognitive excellence across all domains of learning.

Bidding a Heartfelt Adieu: Honoring the Invaluable Contributions of Mr. Shivendra Kumar Jha

23-07-2026

Global Indian International School bid an affectionate, memorable farewell to veteran educator Mr. Shivendra Kumar Jha on his superannuation, honoring his exemplary tenure and invaluable services to the institution. The gathering commenced with a poignant audiovisual retrospective showcasing his distinguished journey since the inception of the school in 2009. The evocative slides chronicled his formative role in nurturing the institution, highlighting fond archival moments, milestones, and his inspiring rapport with generations of students and colleagues. Respected Principal Ma'am warmly commended Jha Sir for his steadfast dedication, administrative wisdom, and unwavering mentorship, which left an indelible impression on the institutional fabric.

Evoking mutual nostalgia and deep camaraderie, colleagues shared reminiscences of his scholarly grace and professional integrity, presenting him with tokens of esteem and mementos. Expressing heartfelt gratitude, Jha Sir shared cherished reflections from his long association with the campus, wishing the school continued heights of academic glory. The warm proceedings culminated in a special fellowship lunch hosted in his honor, where the staff fraternity shared affectionate conversations, cordial memories, and extended prayers for his joyous, healthy, and fulfilling retired life.

Spreading Smiles and Empathy: Pre-Primary 'The Kindness Postman' Story Session

25-07-2026

Our pre-primary wing hosted a captivating, values-based storytelling session featuring the heartwarming tale of 'The Kindness Postman'. Through lively voice modulation, colourful character puppets, and animated visual aids, the teachers brought to life the delightful journey of a thoughtful postman who delivers not just letters, but uplifting notes of compassion, smiles, and warmth to everyone in the neighbourhood. The tiny tots listened with wide-eyed wonder, eagerly discovering how simple acts of kindness, polite words, and helping hands can brighten someone's day and build a caring community. Taking the lesson from listening to active doing, the children participated in an experiential letter-posting activity right in the classroom. Little hands crafted cheerful greeting cards, decorated with crayon doodles and heartfelt stickers of gratitude, which they dropped into a specially crafted red classroom postbox for their peers and teachers. This engaging activity beautifully blended foundational listening comprehension and expressive speech with core human values, gently encouraging our youngest learners to embrace empathy, gratitude, and mutual respect from their very early steps in school.

Fostering Collaborative Growth: Periodic Assessment-1 Parent-Teacher Meeting

07-08-2026

To strengthen the vital partnership between home and school, our campus hosted the Parent-Teacher Meeting following the conclusion of Periodic Assessment-1 (PA-1). The interactive session provided a constructive platform for educators and parents to review individual academic progress, analyze diagnostic assessment feedback, and discuss personalized learning trajectories. Teachers offered comprehensive insights into each student's conceptual strengths, classroom engagement, and co-scholastic milestones, while collaboratively setting actionable goals for continuous improvement and foundational skill-building. The enthusiastic turnout and positive dialogue reaffirmed our shared commitment to nurturing every child's unique potential in an encouraging, well-aligned educational ecosystem.

Flavours of Innovation: CBSE Young India Culinary Championship (YICC) 2026–27

05-08-2026

Providing a creative platform for experiential learning and life-skill development, our school hosted the campus rounds for the prestigious CBSE Young India Culinary Championship (YICC) 2026–27. Organized for budding student chefs across Classes VI to XII, the national-level culinary challenge was conducted over two exhilarating days, celebrating nutritional awareness, culinary aesthetics, and hygienic food preparation practices.

Day 1 witnessed vibrant enthusiasm in Category I (Classes VI–VIII), where young learners showcased exceptional ingenuity through fireless cooking, whipping up wholesome salads, creative chaats, nutrient-dense dips, and layered desserts with refined presentation. On Day 2, senior participants in Category II (Classes IX–XII) took charge of the flame, demonstrating culinary precision, temperature control, and balanced flavour profiles in an array of ...

Continued on next page ...

traditional and contemporary regional delicacies. The spirited event not only highlighted the students' gastronomic talents and team spirit, but also reinforced fundamental life skills, nutritional balance, and self-reliance in a cheerful, competitive atmosphere.

Celebrating Nature and Harmony: Pre-Primary 'Green Colour Day'

07-08-2026

Our pre-primary wing came alive in lush verdant hues as tiny tots celebrated 'Green Colour Day' with immense zest and enthusiasm. Dressed in cheerful shades of emerald, olive, and mint, the little learners immersed themselves in sensory exploration and hands-on activities, sorting green foliage, leaves, and seasonal vegetables while enjoying an animated story highlighting Mother Nature and the importance of caring for our planet. The classrooms buzzed with creative energy as children engaged in vibrant leaf-rubbing and palm-printing art, reinforcing visual colour identification, fine motor skills, and early environmental awareness in a playful, nurturing setting.

Champions for Wildlife: Commemorating World Elephant Day

07-08-2026

In proactive alignment with CBSE guidelines and submission timelines, our school organised a vibrant two-day awareness drive on 7th and 8th August to commemorate World Elephant Day. Senior and middle-wing students showcased their artistic flair and ecological consciousness through expressive poster-making and painting activities, beautifully depicting the majesty of elephants alongside thought-provoking slogans on habitat conservation and anti-poaching efforts. Meanwhile, primary learners enthusiastically crafted detailed elephant headgear and masks, joyfully blending fine motor skills with wildlife sensitivity. The campaign concluded with a solemn mass pledge, wherein students and educators resolved to protect our natural heritage, advocate for gentle giants, and uphold compassionate environmental coexistence.

Celebrating Verses and Expression: English Poem

Recitation Competition for Classes IX–X

07-08-2026

To nurture linguistic fluency, expressive diction, and literary appreciation among secondary learners, our school organised an English Poem Recitation Competition for students of Classes IX and X. Participants captivated the audience and adjudicators with poignant verses spanning diverse themes of resilience, patriotism, environmental consciousness, and human compassion. Delivering their chosen pieces with commendable voice modulation, impeccable rhythm, and evocative stage presence, the young bards brought classic and contemporary poetry to vibrant life. The enriching literary showcase not only refined students' public speaking and oratory confidence, but also deepened their aesthetic sensibility and love for the English language.

Canvases of Freedom: Independence Day Drawing

Competition for Classes I–V

13-08-2026

To ignite patriotic fervor and foster creative expression among primary learners, our school organised an inter-class Drawing and Colouring Competition on the vibrant theme of 'Independence Day' for Classes I to V. The young artists brought sheets of paper alive with imaginative depictions of the National Tricolour, brave freedom fighters, historical monuments, and symbols of national unity. Armed with crayons, pastels, and watercolours, the students showcased remarkable fine motor precision, aesthetic balance, and visual storytelling beyond their years. The spirited competition provided a joyful platform for children to channel their artistic sensibilities while instilling deep-seated respect and pride for the rich heritage and freedom of our nation.

Little Hands, Big Roots: Pre-Primary National Flag & Seed Plantation Activity

14-08-2026

In a delightful celebration blending patriotic spirit with environmental consciousness, our pre-primary wing engaged in a dual experiential exercise: the National Flag activity and Seed Plantation drive. The tiny tots enthusiastically dipped their little hands in saffron, white, and green to craft vibrant Tricolour flags using paper tearing and handprint art, gaining an early, affectionate acquaintance with national symbols and the values of unity and harmony.

Transitioning from artistic patriotism to green stewardship, the young learners then stepped into the school garden for a hands-on seed plantation session. Guided gently by their teachers, the children experienced the tactile joy of moist soil, carefully placing seeds into earthen pots and watering them with miniature watering cans. This sensory-rich initiative refined fine motor skills and pincer grasps while instilling foundational concepts of plant life cycles, nurturing a lifelong reverence for Mother Nature right from their earliest school years.

Fostering Curiosity and Innovation: 'Science Sprouts Day – Little Scientists Expo'

14-08-2026

Fostering an ecosystem of scientific inquiry, experiential learning, and design thinking, our school hosted the grand 'Science Sprouts Day – Little Scientists Expo', witnessing enthusiastic participation across four specialized categories: Classes I–II, III–V, VI–VIII, and IX–XII. The campus buzzed with vibrant intellectual curiosity as students presented a wide array of working models, interactive prototypes, and illustrative experiments. Junior learners from Classes I to V captivated visitors with creative demonstrations of water filtration, natural habitats, renewable energy, and fundamental physical forces, explaining basic scientific concepts with remarkable confidence and clarity.

In the middle and senior secondary segments (Classes VI–XII), students exhibited sophisticated, multidisciplinary projects addressing pressing global and local challenges, ranging from smart automated irrigation and green computing to robotic prototypes, clean energy storage, and AI-assisted models. Demonstrating sound scientific temper, research acumen, and articulate presentation skills, the participants seamlessly defended their design methodologies before evaluators and visiting parents. The expo successfully celebrated hands-on experimentation, inspiring learners across all age groups to translate textbook science into impactful, future-ready solutions.

A Symphony of Patriotism and Culture: Independence Day Celebrations

15-08-2026

Draped in the proud hues of the Tricolour, our school campus radiated patriotic fervor and national pride as students, staff, and management gathered to celebrate the momentous occasion of Independence Day. The ceremony commenced with the solemn unfurling of the National Flag by the respected Principal, followed by the National Anthem sung in unison with heartfelt devotion. Addressing the gathering, the Principal paid rich tributes to the valiant freedom fighters who secured the nation's liberty, urging young learners to translate the ideals of freedom into responsible citizenship, discipline, and sustained academic and social contribution.

The solemn commencement paved the way for an exhilarating cultural presentation staged by talented students from various wings. The school choir stirred the gathering with soulful, evocative patriotic renditions that filled the air with deep emotional resonance. Eloquent speeches delivered in both Hindi and English highlighted our constitutional heritage, scientific milestones, and the collective duty of youth in nation-building, reflecting thoughtful maturity and articulate stage presence.

A major highlight of the morning was the vibrant dance drama and thematic choreographies depicting India's timeless cultural unity in diversity and the valor of our martyrs. Students mesmerized the audience with their synchronized movements, expressive theatrical expressions, and traditional costumes, celebrating the pluralistic fabric of our motherland. The performances gracefully integrated artistic expression with values of national integration, empathy, and brotherhood.

The commemorative program drew to a joyful close with the distribution of traditional sweets and a collective pledge by learners and educators to uphold integrity, social harmony, and civic duty. The celebration left everyone inspired, instilling a renewed sense of pride and purposeful dedication toward building a progressive, self-reliant India.

Empowering Future Pedagogy: Faculty Presentation at CBSE District Deliberation on CTAI

20-08-2026

In a distinguished academic milestone, our educators actively represented the school at the CBSE District-Level Deliberation on 'Computational Thinking with Artificial Intelligence' (CTAI), convened at Sardar Doon Public School, Jodhpur. Demonstrating institutional excellence in contemporary technological pedagogy, our esteemed faculty members—Mr. Pankaj Soni (PGT Artificial Intelligence) and Ms. Dhatchayani G (PGT Computer Science)—presented their insightful research papers before a gathering of leading educators, subject experts, and administrators. Their deliberations explored progressive frameworks for demystifying algorithms, integrating ethical AI in secondary school curricula, and cultivating structured logic-first problem-solving among students, drawing wide appreciation from the panel.

The academic exchange fostered meaningful cross-institutional dialogue on aligning classroom instruction with national digital mandates and future-ready 21st-century competencies. By contributing scholarly methodologies on bridging algorithmic logic with classroom applications, our teachers reaffirmed the institution's unwavering commitment to continuous professional development, innovative instructional design, and pedagogical leadership in emerging technologies.

Celebrating Sacred Bonds: Raksha Bandhan Special Assembly & Rakhi-Making Competition

20-08-2026

Embodying the spirit of love, protection, and cultural harmony, our school celebrated the auspicious festival of Raksha Bandhan with immense warmth and traditional fervour. The day commenced with an inspiring Special Assembly, where students highlighted the historical significance and timeless cultural values associated with the sacred thread through evocative speeches, devotional songs, and an expressive skit illustrating the virtue of mutual respect and duty towards one another. Respected Principal Ma'am addressed the gathering, emphasizing that Rakhi transcends familial ties, representing a universal pledge of compassion, communal brotherhood, and mutual care within the school community.

Adding artistic vibrancy to the festivities, an inter-class Rakhi-Making Competition was organised across designated categories: Pre-Primary, Classes I-II, Classes III-V, and Classes VI-VIII. The campus buzzed with creativity as tiny tots in the Pre-Primary and Primary wings crafted delightful Rakhis using ribbons, sequins, and colourful paper, while the middle school learners showcased exemplary craftsmanship using eco-friendly, sustainable materials like jute, silk threads, and grains. The event beautifully blended creative expression, fine motor precision, and cultural appreciation, leaving our learners with cherished memories of unity and shared tradition.

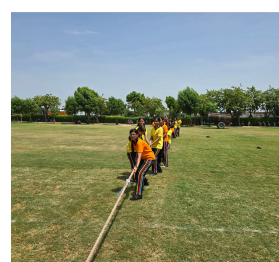

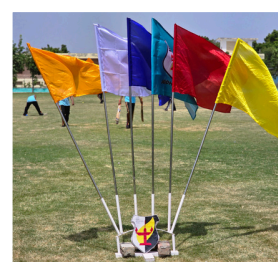

Celebrating Agility and Team Spirit: National Sports Day

29-08-2026

Commemorating the birth anniversary of hockey legend Major Dhyan Chand, our school observed National Sports Day with high energy, physical rigor, and sportsman spirit. The day commenced with an inspiring Special Assembly, where students highlighted the enduring legacy of Major Dhyan Chand and the vital role of regular physical activity, disciplined routines, and sportsmanship in holistic development. Respected Principal Ma'am addressed the gathering, urging learners to integrate sports into their daily lives as an essential pillar of mental resilience, leadership, and physical well-being.

The campus transformed into an arena of spirited athletic competition, hosting a diverse range of friendly matches and sporting fixtures across all age groups. Students actively participated in outdoor events including Football, Cricket, Basketball, Lawn Tennis, and Track Athletics, while others demonstrated sharp focus and strategic thinking in indoor disciplines like Chess, Carrom, and Table Tennis. The celebration fostered peer camaraderie, agility, and fair play, underscoring our institutional commitment to nurturing healthy, active, and well-rounded individuals.

GLOBAL INDIAN INTERNATIONAL SCHOOL

Divine Fervour and Joy: Janmashtami Special Assembly

29-08-2026

The school campus wore a festive, devotional look as students and staff came together to celebrate the auspicious festival of Shri Krishna Janmashtami with boundless zeal and spiritual joy. The celebration commenced with a soulful Special Assembly featuring melodious bhajans sung by the school choir, filling the atmosphere with serenity and devotion. Students presented an evocative dance-drama depicting cherished episodes from Lord Krishna's childhood, highlighting timeless virtues of righteousness, truth, and duty from the Bhagavad Gita. Addressing the assembly, respected Principal Ma'am encouraged learners to draw inspiration from Lord Krishna's teachings, urging them to approach daily challenges with equanimity, courage, and selfless commitment.

Adding vibrant charm to the occasion, tiny tots of the Pre-Primary and Primary wings came dressed as enchanting little Radhas and Krishnas, adorning peacock feathers, traditional attire, and flutes. The courtyard resonated with cheerful applause during the symbolic Matki Phod event, where enthusiastic young Govindas formed small pyramids to reach the hanging pot, beautifully embodying the spirit of teamwork, balance, and joy. The celebration concluded on a delightful note with the distribution of festive prasad, leaving everyone deeply connected to our cultural roots and heritage.

Honouring Mentorship and Dedication: Teachers' Day Celebrations

05-09-2026

Our school campus resonated with deep gratitude and joyous reverence as students gathered to commemorate Teachers' Day, paying rich tribute to the pioneering educator and philosopher, Dr. Sarvepalli Radhakrishnan. The day commenced with a vibrant Special Assembly curated entirely by the students, featuring evocative speeches, lyrical poems, and soulful musical tributes that acknowledged the invaluable guidance of their educators. Respected Principal Ma'am addressed the gathering, illuminating the noble purpose of the teaching fraternity in shaping character, inspiring critical inquiry, and nurturing future-ready citizens with empathy and moral fortitude.

As a heartfelt gesture of respect and admiration, students pinned specially designed commemorative badges adorned with inspiring educational quotations onto their teachers' lapels, expressing their deep affection. The celebratory spirit then carried into the classrooms with an array of vibrant activities, including peer-led learning sessions by senior students, interactive trivia games, and handwritten gratitude cards. The thoughtful commemoration beautifully celebrated the sacred teacher-student bond, leaving our educators deeply touched and reaffirmed in their pedagogical mission.

Tiny Steps, Dazzling Confidence: Pre-Primary Fashion Fiesta

08-09-2026

Our pre-primary wing transformed into a vibrant runway of grace, poise, and youthful charm as little learners took center stage for a delightful Fashion Show. Dressed in an eclectic mix of elegant ethnic wear, imaginative community-helper attires, and vibrant fusion costumes, the tiny tots captivated everyone with their endearing smiles and enthusiastic presence. Guided gently by their teachers, the young participants walked the ramp with remarkable poise and spontaneous flair, turning the auditorium into a joyful celebration of early self-expression and stage confidence.

Beyond the glamour and cheerful applause, the event served as an enriching experiential platform designed to develop foundational socio-emotional skills, posture, and public presentation from an early age. Each confident step along the ramp helped alleviate stage fright, fostering a healthy sense of personal identity and self-assurance in a supportive, encouraging atmosphere. The enthusiastic cheers from teachers and peers made the showcase a memorable milestone of joyful learning, celebrating individuality and creative flair across our youngest grade levels.

Invoking Wisdom and Auspicious Beginnings: Ganesh Chaturthi Special Assembly

14-09-2026

The school campus reverberated with spiritual sanctity and festive cheer as learners and faculty assembled to celebrate the auspicious festival of Ganesh Chaturthi with utmost devotion. The Special Assembly commenced with a soulful invocation and traditional Ganpati Vandana, setting a serene and uplifting ambiance. Students presented an insightful talk and an evocative skit illustrating the symbolism of Lord Ganesha—revered as the harbinger of intellect, wisdom, and the remover of obstacles (Vighnaharta). Respected Principal Ma'am addressed the gathering, urging learners to imbibe virtues of humility, ethical judgment, and perseverance in their academic journeys. The celebration resonated with cultural reverence and shared joy, concluding with the distribution of traditional modaks and wishes for auspicious beginnings for the entire school fraternity.

Evaluating Scholastic Milestones: Half-Yearly Examinations

19-09-2026

Marking a crucial mid-term assessment checkpoint, our school successfully conducted the Half-Yearly Examinations with utmost academic integrity and meticulous planning. Designed to evaluate comprehensive conceptual understanding, analytical thinking, and application skills, the standardized assessments provided learners a structured platform to gauge their term-long academic progress across all scholastic disciplines. The examination halls reflected an environment of quiet concentration, discipline, and earnest preparation, with students demonstrating commendable focus and time management. This periodic evaluation serves as a constructive diagnostic benchmark, enabling educators and students alike to identify learning strengths, bridge conceptual gaps, and strategize effectively for the upcoming academic phases.

Enhancing Administrative & Examination Accuracy: CBSE LOC Live Webinar

14-09-2026

In adherence to national board directives and to ensure seamless administrative execution, all faculty members teaching Classes IX to XII actively attended the official 'CBSE LOC (List of Candidates) Live Webinar'. The capacity-building session provided in-depth orientation on the digitized procedures, standardized data validation protocols, and critical timelines governing student registration and subject finalization for upcoming board examinations. The educators engaged attentively with the board's technical guidelines, addressing demographic accuracy, subject code verifications, and compliance standards necessary to maintain error-free student academic records. This timely professional orientation reaffirmed our school's commitment to administrative precision, procedural transparency, and smooth academic governance.

Splash of Joy and Camaraderie: Annual School Picnic to OTC Water Park

Providing a refreshing break from academic routines and fostering peer camaraderie, our school organised an exhilarating annual excursion to OTC Water Park. The day unfolded with boundless excitement as students immersed themselves in an array of thrilling water slides, dynamic splash pools, and engaging outdoor group activities under the attentive supervision of faculty members. Beyond the sheer recreation, the outing served as a valuable experiential platform for developing team spirit, mutual cooperation, and social-emotional bonding in an open, joyful setting. Accompanied by cheerful music, healthy fellowship meals, and strict adherence to water safety protocols, the visit proved to be a rejuvenating retreat, creating fond childhood memories and strengthening the cohesive fabric of our student community.

Green Tributes of Gratitude: 'Ek Ped Maa Ke Naam 3.0' Plantation Drive

In alignment with the CBSE curriculum mandates and the nationwide initiative of Eco Clubs for Mission LiFE (Lifestyle for Environment), our school organised the 'Ek Ped Maa Ke Naam 3.0' tree plantation drive across the campus grounds. The campaign beautifully bridged ecological responsibility with personal reverence, providing learners a purposeful platform to honour maternal love through pro-planet actions. Guided by educators and green club mentors, students gathered with saplings of indigenous, drought-resilient trees, transforming the school gardens into vibrant symbols of nurturing care and collective climate responsibility.

The enthusiastic participants immersed themselves in every step of the plantation process—carefully preparing organic soil beds, positioning the saplings, and watering them while gaining first-hand insights into biodiversity conservation and soil health. Respected Principal Ma'am addressed the gathering, emphasizing that true education transcends textbooks and finds meaning in sustainable habits, environmental ethics, and community stewardship. Students undertook a collective pledge to look after their planted saplings throughout their school years, treating them as personal commitments toward building a greener, climate-resilient future.

Through this impactful experiential initiative, the Eco Club successfully reinforced key tenets of Mission LiFE, encouraging youth to adopt mindful, eco-friendly lifestyle practices. The drive left an indelible mark on young minds, blending the timeless virtue of gratitude towards mothers with active, responsible citizenship dedicated to safeguarding Mother Earth for generations to come.

Champions in Action: Celebrating Our Sports Achievers

Honouring exceptional talent and victorious milestones across District, State, and National arenas

Our students have brought immense pride and honour to the institution with stellar performances in District, CBSE, and National sports tournaments. Demonstrating exemplary discipline, dedication, and sportsmanship, our young champions continue to raise the bar of athletic excellence.
